**NOT FROM THE RECTORY**

In May we celebrate two of the red letter days of the Christian year. First comes Ascension Day, when we remember Jesus' departure from earth into heaven, followed ten days later by the great feast of Pentecost, which is often called the birthday of the Church.

During the six weeks between Jesus' resurrection on the first Easter Day and his ascension, he appeared to his disciples on many occasions. The accounts of those appearances in the Gospels have a mysterious, supernatural quality, but leave us in no doubt that he really was present in the flesh – on one occasion he even ate a piece of broiled fish to convince his terrified followers that he wasn't a ghost. The effect of those encounters on the disciples was electrifying, transforming them from a raggle-taggle bunch of frightened and demoralised men and women into a movement that was to change the world.

The culmination of the transformation came at Pentecost when they experienced the coming of the Holy Spirit, filling and empowering them, and giving them the confidence they needed to go out and proclaim the gospel message to all and sundry.

The world they faced was even more dangerous and hostile than our world is today. But they were so utterly convinced they had met with the risen Jesus and that his spirit remained with them, encouraging and helping them, that they were prepared to sacrifice their lives to tell the world all about it. In the centuries since then, countless millions of others have followed suit.

The Christian story, of which we are a part, has always been a story of ordinary men and women bearing witness both in words and in the way they live their lives, that Jesus is alive and is among us, helping us through any dark and difficult times we have face. 'Do not be afraid' and 'Shalom' (peace be with you) are phrases that are frequently on Jesus' lips in the Gospels. And they are not just words – courage, joy and peace are qualities he imparts. Which is why – despite all the worrying things that are going on in the world – we can celebrate Pentecost with a sense of confidence and hope.

With best wishes, Lilian

Heartfelt thanks for all the cards and 'get well' messages after my recent accident. They were quite overwhelming and much appreciated. I'm making progress and hope to be back on my feet in a few weeks time.

With best wishes, Lilian

### **'Thank you' from Rev Alan**

Just a short note to thank everyone for a wonderful send-off and for your kind words, gifts and cards. Your generosity was overwhelming. I plan to spend the Amazon vouchers on a digital SLR camera and accessories so I can take up a hobby that I have wanted to for ages but somehow never got round to.

I am settling in well to my new home and enjoying a sustained period of rest and relaxation. In due course I look forward to working on a voluntary basis, as so many retired priests do. In the meantime I have many happy memories of my time with you, for which I am also grateful.

I hope it will not be too long before my successor is in place, but know that until then you will be well looked after by Rev June Freshney, Rev Stuart Hadley and others - my thanks go to them too.

With blessings and all good wishes,

*Alan*

**Thank you**

Helen and I would like to say thank you to everyone that supported our Glad Rags and Handbags ladies night at The Stag at the end of March.

Delighted to say that we raised £613 on the night for Breakthrough Breast Cancer. It was a fun evening with excellent food (thank you Mike and Sam) and as well as doing a brisk trade in handbags on the night, we were subsequently able to donate a further 150 of them to The Cancer Research shop to raise more money.

We would also like to thank William Parkin (Syston) who ran the Belvoir Half Marathon this April in support of us and raising over £600 more!

If you attended or donated to us, thank you very much, as ever we have had brilliant support from the community for our fundraising. Your goodwill will help carry us forward when the blisters begin to rub on our 24 mile hike for the charity in a couple of weeks!

**Playing Field**

The Playing Field AGM will be held on Thursday 21 May at 7.30pm in the Pavilion. The AGM will be followed by a Management Committee meeting, any village organisation that wishes to have a representative on the Playing Field Management Committee should contact myself prior to the meeting.

As previously reported the Management Committee are focusing on a programme of works to refresh the equipment in the Children's corner. To date some funding has been secured from the Parish Council and through donations, it is hoped this will allow development of part of the Children's corner with further fund raising to develop the rest. Anyone interested in finding out more or supporting this is welcome to attend the AGM, or alternatively contact myself or another member of the committee prior to the meeting.

Simon Kelly-Secretary(Playing Field)

## **Barkston and Syston Parish Council**

The Parish Council met on Monday 9<sup>th</sup> March 2015. All Members of the Parish Council were present together with one member of the public and the District and County Councillors, Councillors Scott and Wootten.

No matters were raised during the public forum.

Highways matters were discussed, and the Council received an update from the Chairman and Vice-Chairman following a “walkabout” last week with Area Surveyor, Mark Heaton. The illegal use of bridleway no. 4 continued, and it was reported that 2 motorcycles had been spotted a week ago and eight on the day before the meeting. It was agreed to continue to monitor the area and record photographic evidence of any unauthorised use.

Consultation in regard to the double yellow lines around the Church Street/ Church and Honington Road corner was expected to start within the week. Most of the issues previously raised had been discussed during the course of the “walkabout”, including the flooding at The Stag corner; refurbishment of the kerb and path outside the Bede Houses; flooding at the garage and the Hough Road corner; cleaning the dyke and drains at the foot of Minnetts Hill; surface dressing the Main Road and resurfacing of Honington Road between Minnetts Hill and the Playing Field. The road to Barkston Gorse was to have more stone put down. The damaged grit bin on the lower slope on Minnetts Hill had been replaced, and the overhanging vegetation on the Syston bypass had been trimmed back.

The Council considered a quotation which had been received for an additional street light at the end of West Street, but agreed to take no action as there was no budget at the present time.

A request for consideration to be given to better accessibility for wheelchair and mobility scooter users in certain parts of Barkston was received and passed to the Area Surveyor for investigation, with a request that consideration be given to funding under the Disability Acts.

The bus shelter had been installed. The Chairman read a letter of thanks from two local residents.

Councillor Rowell advised that the dead trees in the Burial Ground had been removed by himself and Councillor Card. Both Councillors were thanked.

The Clerk briefly reported on a training seminar on matters connected with internal and external audit, VAT and the management of risk, which had been organised by the Lincolnshire Association of Local Councils, which he had attended with Councillor Jackson. It was agreed to look into the management of risk in more detail, particularly at the Playing Field, and report back to the May meeting.

New model Financial Regulations, broadly similar to those already agreed by the Council had been circulated. It was agreed that these be approved in principle and that the details in the existing regulations be transferred over to the new document for circulation to members for the May meeting.

The Village Hall Committee had been contacted in regard to the SKDC offer to provide community broadband/wi-fi in the village hall, but were not in favour owing to the existing heavy use, and difficulty of fitting in the community broadband use. In the circumstances, the Parish Council decided to take no action.

The stock of sand and sandbags to help cope with cases of localised flooding had been received and stored in the Bier Shelter at the Burial Ground.

The next meeting is on MONDAY 11<sup>th</sup> MAY 2015 at 7.45 p.m. at the VILLAGE HALL. This is the Annual Meeting of the Parish Council, and will be preceded by the Annual Parish Meeting.

Malcolm Hall, Clerk to the Council

**DOG FOULING IN BARKSTON AND SYSTON**

The Parish Council are concerned at the increasing number of incidents of dog fouling in Barkston and Syston. In the most recent incidents, a number of bags of waste have been found in verges alongside the A607 and West Street. These have been disposed of properly, but dog owners are strongly urged to:

TAKE THE WASTE HOME AND DISPOSE OF IT, OR AT LEAST PUT IT IN THE DOG WASTE BIN BY THE BURIAL GROUND GATE OR IN ANY NORMAL LITTER BIN.

SKDC Environmental Protection has been advised, and will be installing signs warning of the penalties for not picking up dog waste. They will also be monitoring the area, and are also encouraging residents to report any incidents that they witness so that prosecution can be considered.
