There is no 'From the Rectory' piece in this edition as the Reverend Alan's wife, Monica, is extremely unwell. As a consequence, Alan is taking indefinite compassionate leave. Anne and I hope that everyone will join us in wishing them both the very best outcome.

In order to support Alan through this challenging period and ensure everything within the Loveden Deanery runs smoothly Laura Widdowson, the Deanery Administrator, will take all of Alan's telephone calls and e-mails. Her hours of work are 10.00am – 1.00pm, Monday to Friday and her e-mail address and telephone number have been substituted for Alan's details on the front cover of this edition of 'In Touch'.

The Deanery office does have an answer machine facility so if you call out of office hours then please leave me a message and Laura will call you back as soon as possible.

### Prayer and Praise

Prayer and Praise at the home of Joy Bristow, 38 West Street, Barkston, (01400 250339) will be held on Mondays 4<sup>th</sup>, 11<sup>th</sup>, 18<sup>th</sup> and 25<sup>th</sup> March and 15<sup>th</sup> April at 4.00pm.

### Services of Wholeness and Healing

Wholeness and Healing services are held on the second Thursday of each month at St Nicholas' Church, Barkston at 7.30pm. These are quiet reflective services, where people have an opportunity to pray for any concerns, personal or of a wider nature. The service consists of two or three hymns, a meditation, prayers and opportunity to light candles, place written prayer requests on a Prayer Tree, receive the laying on of hands for oneself or for others, or simply to enjoy a time of peace and rest.

St Nicholas' Church is warm and has toilet facilities. Refreshments are served after the service. The next services will be on 14<sup>th</sup> March and 11<sup>th</sup> April

## Belton and Manthorpe Parish Council

The Parish Council met at Manthorpe Village Hall, on Thursday 14th February. Seven Councillors and two members of the public were present.

### **Matters pertaining to Belton were as follows:-**

**Belton Old School – Village Hall:** Work starts in two weeks time and should be finished by mid May. It will be managed by the National Trust and a liaison committee with village representatives will be formed to look after the running of the hall. It was suggested that maybe the Parish Council should look at holding some of the meetings there so that people from Belton could attend the meetings.

**Speeding Through Belton.** No better in either Manthorpe or Belton. It was suggested that a presence by Community Police may help.

**Crime Levels in Belton.** There have been a couple of GPO underground cable thefts in Belton recently and they are being dealt with by the Police.

### **ANY OTHER BUSINESS:**

#### **Excess Road Water – A607 Belton.**

S. Thompson reported that excess water on the A607 was still running along the right hand side of the road from just past the bridge towards Barkston and across the road into Mr Pell's field. Mr Pell has been in touch with Highways but heard nothing back yet.

Also, villagers had reminded her that the piece of concrete path from No.8 Main Street north towards Chandlers had still not been repaired although it is believed to be in hand and will be done when money is available. Highways have made it clear that the path will follow the line of the existing path.

**Dog Fouling** It was reported that this had recently become a problem again. Michael Coney has provided dog walks round his field for Belton dog owners, please use only the walk and not the open fields. A partially sighted villager has stepped in dog faeces on the village pavement and has found it most unpleasant. There is a Parish Council dog waste bin just inside the field just beyond No 8 and it is hoped that dog owners will use the bins provided and discourage others from allowing their dogs to foul the pavements.

There being no further business the meeting was closed at 9.15pm.

The next meeting (the Annual Council Meeting and the Annual Parish Council Meeting as well as the Parish Council Meeting) will be held on 16<sup>th</sup> May 2013 starting at 7.00pm.

Tony Hopwell

been received and he had accordingly sent a response to SKDC.

Further consideration of the proposed presentation by "Lives" was deferred to the next meeting, hopefully awaiting better weather.

Funding for broadband improvements was progressing, and Members were being kept advised by regular emails from OnLincolnshire. Councillor Wootten agreed to request an update from the County Councillor responsible.

Consideration was given to quotations for mowing for 2013, but this was deferred for further information from one of the firms submitting a tender. A quotation had been received for a health and safety inspection of the War Memorial, but this was also deferred pending investigations into the possibility of a grant from the War Memorials Trust.

The Council received the regular update on the finances so far for 2012/13 and the proposed budget for 2013/14. Having considered the update in detail, this was accepted. The budget was explained and considered in detail, and discussion took place on the inclusion of finance for Section 137 expenditure, i.e. money to finance expenditure on items they were not otherwise empowered to do, but which were in the interests of the inhabitants of the area. It was agreed to include an amount of £1,475 for this purpose and to set the total precept at £8,825, the same as the last financial year.

The next meeting is on MONDAY 11<sup>th</sup> MARCH 2013 at 7.45 pm at the VIL-LAGE HALL.

Malcolm Hall  
Clerk to the Council

## **Barkston and Syston Parish Council**

The Parish Council met at the Village Hall on Monday 14th January 2013. All members of the Parish Council were present, together with County Councillor Ray Wootten and District Councillor Trevor Scott for part of the meeting. One member of the public attended.

The meeting commenced with the public forum. The member of the public thanked the Council for its support in regard to the recent wind turbine applications, and reminded Members that a further application (this time for one turbine only) had been submitted on the site at Carlton Scroop.

The Council received a report from the Clerk in respect of the need for Members to seek a dispensation from the rules regarding the disclosure of interests, to enable a decision to be made on the budget, and a precept to be set. All Members would have an interest, as they were in occupation of land/property within the Parishes, and a dispensation was the appropriate way to proceed. Councillors present signed a request for this to be done, and agreed to the Clerk's suggestion that he be appointed as the officer with authority to agree dispensation requests. An appropriate change to Standing Orders was also agreed.

Many highways matters were discussed, and the Clerk was asked to refer them to the Area Surveyor for action. The situation regarding Bridleway No. 4 leading to Marston, was again discussed, and the Clerk advised that the County Council were not prepared or able to take any further action, other than to erect suitable signs. The central refuge in Barkston was discussed and the Clerk was asked to request proper tarmac surfacing, as opposed to stone chippings for the finished surface. Some concerns from local residents were expressed, but the Council were reminded that following investigations, the only solution available was the present proposal for a refuge.

The Area Surveyor had advised that 20mph limits could not be imposed in The Drift, Syston, although further investigations were taking place to see if there were any other methods of speed reduction available. Other matters raised included the request for the new path on Honington Road, which was being put on a future schedule of works; surfacing of Church Street (programmed for the same time as the A607 improvements); damage to verges and kerbing in Syston (to be investigated).

The Council again considered the SKDC Supplementary Planning Document on Wind Energy and the Clerk reminded Members that he had produced a response based on the Council's previous objections to the turbines at Frinkley Lane and Carlton Scroop and had circulated it for Members to consider. No objection had

## **Barkston, Syston, Honington, Belton & Carlton Scroop Produce and Craft Show**

Thanks to everyone who supported last year's show; it was very much appreciated.

At the A.G.M. held in November we decided to donate £100 to Barkston and Syston School.

March 20th is our next meeting when we will be discussing this year's show, which is on Saturday 24<sup>th</sup> August. If you have any suggestions for the classes please put a note through my door - Hambleton Farm, Syston - or tell a committee member.

## **Dog Fouling**

Barkston and Syston Parish Council have received reports that dog fouling in Church Street, Barkston, particularly in the area from the War Memorial towards The Stag, is on the increase. Dog owners are strongly urged to clean up after their pets and to take the waste home or use the dedicated bin outside the Burial Ground.
