

BARKSTON AND SYSTON DIAMOND JUBILEE COMMITTEE

MEETING – WEDNESDAY, 11<sup>th</sup> JULY 2012

PRESENT

Councillor Maryan Nussey (Chairman)  
Councillor Sue Evans  
Hannah Stewart

Marion Stewart  
Malcolm Hall (Secretary)

Apologies were received from Bex Mezzo and Peter Stewart.

A general review of Diamond Jubilee celebration events took place. All present agreed that the weekend had been a success and that it was worth considering a fun day type event for next year, as had been suggested by many of those attending. The activities had all been well received although it had been mentioned that the food was expensive. The Secretary pointed out that from a financial point of view the fun day had been a success and outlined the costs and receipts. He said that over £500 had been raised for the Village Hall roof repair fund.

It was agreed that it would be essential to seek opinions from the villagers before considering plans for 2013. The Secretary suggested circulating a simple insert with 'In Touch' and this was agreed. Before arranging the circular, Nigel Parker to be asked to confirm that the cricket competition would continue, and if the provisional date (below) would be satisfactory; and all committee members to be emailed and asked for an opinion.

Provisional date 1<sup>st</sup> June 2013 (Coronation theme!)

The meeting finished at 8.05 p.m.
